Why shouldn`t you upload some embrassing pictures of yourself to the internet?

Reasons

1:

If you apply anywhere and the employer sees the picture of you, you maybe don`t get the job.

2:

When a picture is once in the internet, it`s there forever and everyone in the whole world could see it.

More Reasons

Look at this already shown photo

When your friends see this photo, they mabey wouldn`t like you anymore.

Or you would be ashamed and you don`t wanted to go outside anymore.
